

How to make friends :)

Norime ideas

- Go out
- Get a hobby
- Take showers
- But now to ideas that actually work

Be extra toxic to people in league

- Leaves an impression
- Be creative
- Remember that the worse the insult the more memorable you will be
- Might even become eternalized as a meme

Cats Ü (LeBlanc): just report her
Cats Ü (LeBlanc): there goes promotion..
kydex3 (Elise): HAHAAHAHAHAHAHAHA
kydex3 (Elise): U DESERVE THAT SO HARD
boub (Kayle): elis eplz
kydex3 (Elise): FUKING USELESS SILVER IV IDIOT
kydex3 (Elise): HAHAAHA
kydex3 (Elise): AHHAHAHAHAHAHAHAHAHAHAHAHAHAHAHA

Kill a mutual

- Might cost a friend but will pay out in the long time
- People are grieving on funerals and easier to manipulate in to friendship
- Come to think of it that also make it optimal to pick up someone special too :)

Last plan out: the basement solution

- Can't run
- Noone will hear the screaming
- Will probably play fun games like dnd for food
