

Vinny

Binny, Vincent, Vincenzo, Penzedouge, Penzebob

We got him around Carnival

He has many toys, the blue one is his favorite

Born on Christmas night like Jesus

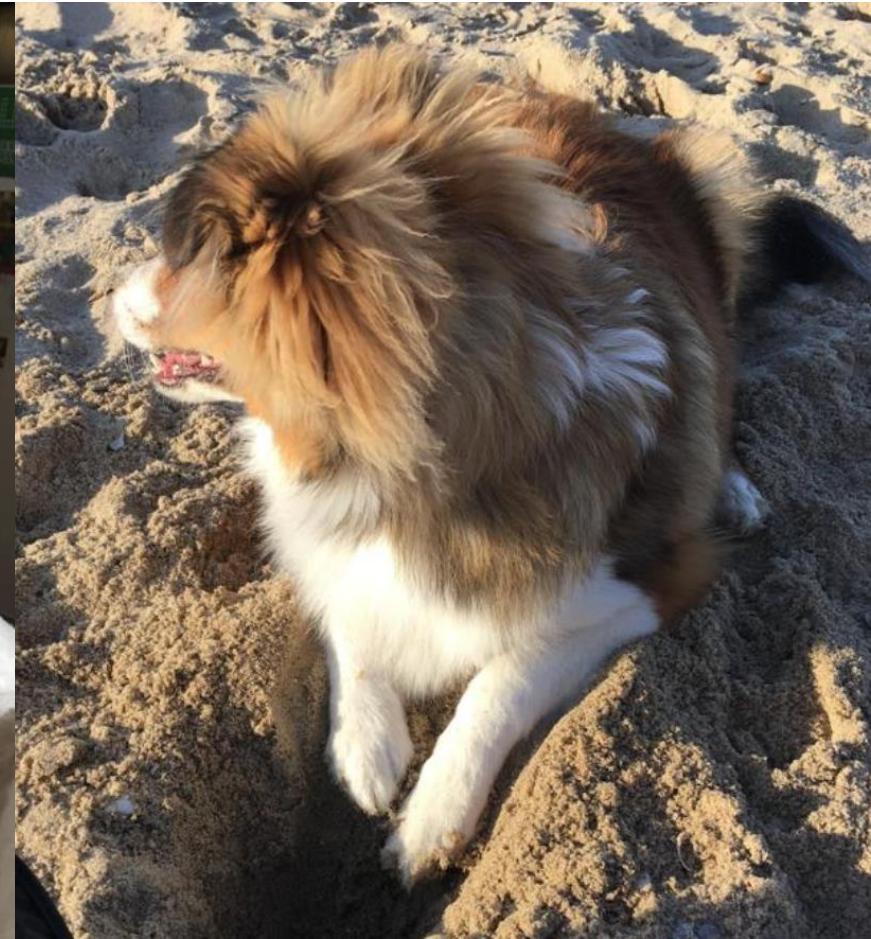

- Because he is a gift from god, obviously

He loves to sunbathe

- Even though he has so much hair that already keeps him warm

His lil' sleepy nests

He also sleeps on our beds while we work

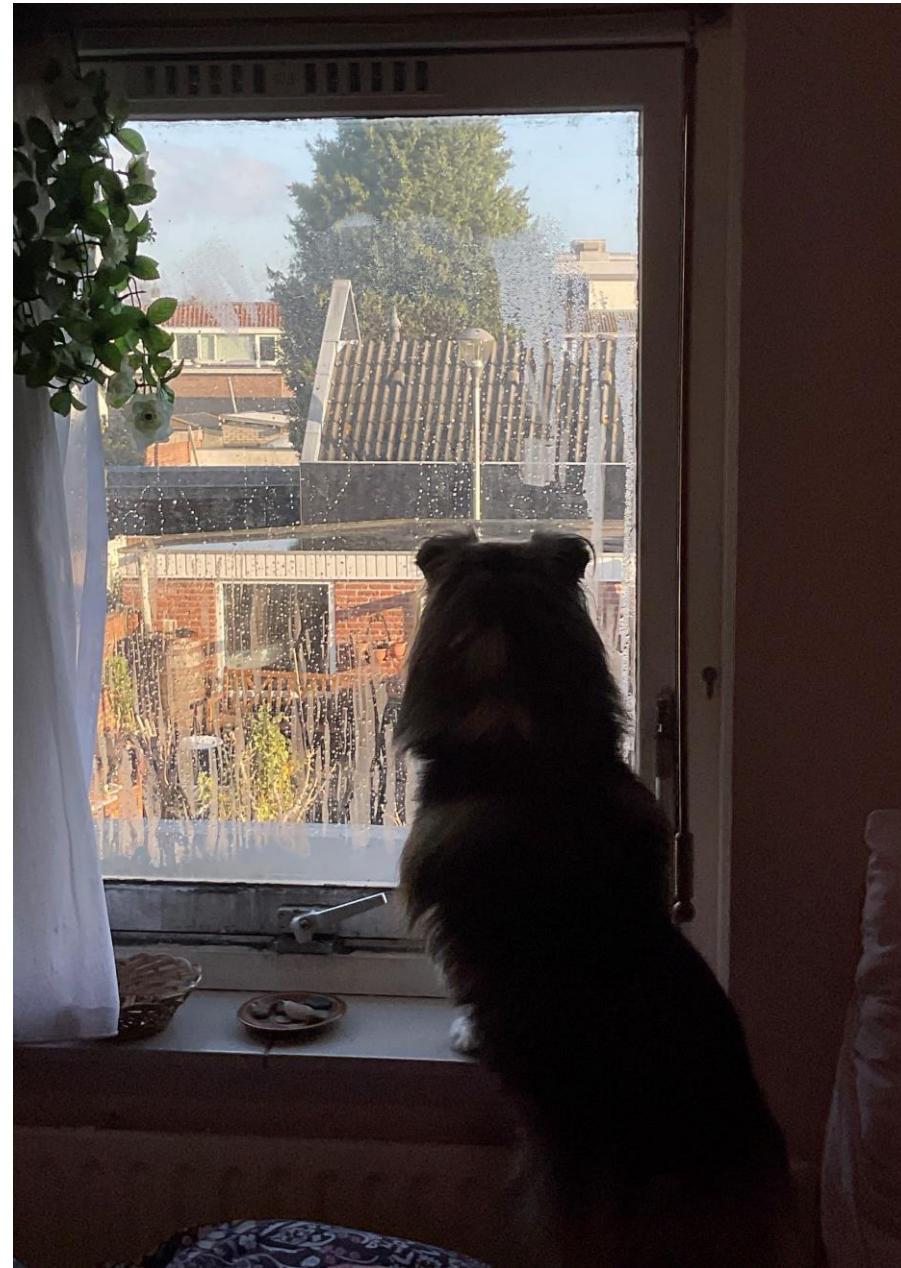

My mom is his favorite

He likes to have a look outside

- We call it Vinny TV
- Downstairs mainly but he doesn't like to be disturbed there

He's a shy eater

- He takes his sweets to a safe place and gets nervous if we move around too much for his normal food
- Sometimes he makes exceptions for SNACC time

The End
